VMAC Marketing Manager Takes Over Sales and Customer Care Departments

NANAIMO, B.C. – VMAC is pleased to announce the promotion of Dan Hutchinson, VMAC's marketing Manager to the new expanded role of Sales and Marketing Manager with oversight of the Marketing, Sales and Customer Care departments.

Dan joined VMAC in 2002 and in that time Dan has been a part of customer service, technical support and purchasing, finally becoming a part of the marketing department in 2004. In Marketing, he applied his Project Management Professional (PMP) accreditation to lead VMAC's innovative product development plans, and was a key contributor to VMAC's Marketing strategies in his role as Product Specialist.

Dan has played a pivotal role in VMAC's product success to date. "This is going to be an amazing year," Dan says enthusiastically. "We've got big plans to transform VMAC into a powerhouse!"

With a vision of pushing VMAC into a greater industry leadership role, Dan plans to further energize the sales team, help the Customer Care department further diversify in serving customers, launch unique and wildly effective Marketing strategies and take a highly-dynamic approach to integrating the three departments.

For more information about VMAC, VMAC UNDERHOOD and VMAC Hydraulic Air Compressor Systems and Throttles, visit www.vmacair.com or call 1-800-738-8622.

#####

VMAC is an award-winning, world-leader in the development of compact, powerful truck mounted mobile air compressor solutions used for service trucks, public works, utilities and highway/heavy construction. VMAC engineers and manufactures 70cfm and 150cfm UNDERHOOD Air Compressor Systems, 40cfm and 60cfm PREDATAIR hydraulic driven Air Compressor Systems, 60cfm RAPT AIR stand-alone diesel drive Air Compressor Systems, and THROTTLE COMMANDER 3-speed engine throttle controls. UNDERHOOD and PREDATAIR Air Compressors are ideal for use on work trucks in applications such as mining, construction, tire-service, fire-apparatus and municipal operations.
